

Dalton Pictures LLC was formed in 2002. Through almost fifteen years of steady growth, DPEC has produced feature length films and also generated quality media content for television, corporate and government productions as well as personal media. DPEC has distributed over thirty films for theatrical (cinema) release.

DPEC is dedicated to producing quality content for maximum messaging impact, through utilizing state-of-the-art video, audio, photographic, graphic and print technology. DPEC is an all-inclusive integrated media company, housing all the disciplines of media production under one roof. The company's consistent record of successful projects includes working with leading players from the corporate and public sectors, including Carmike Cinemas, Moore Theatres, United States Navy, United States Air Force, ICE, FOX Sports, Time Warner Cable, TWC Travel Channel, European Union, CCN, Xenith Helmets, Badger Sports, and many more.
