

Dalton Pictures LLC was formed in 2002. The company has experienced steady growth while producing feature length films and also generated quality media content for television, corporate and government productions. Dalton Pictures has distributed over thirty films for theatrical (cinema) release.

Dalton Pictures is a Motion Picture company, meaning our main focus is creating content for the Big Screen in the form of a Motion Picture. What does that mean? We utilize top of the line equipment and work in a realm where detail and perfection is the standard. Dalton Pictures is an all-inclusive integrated media company, housing all the disciplines of media production under one roof. The company's consistent record of successful projects not only include Motion Pictures, we also work with leading players from the corporate and public sectors, including Cinemas, United States Navy, United States Air Force, ICE, FOX Sports, Time Warner Cable, TWC Travel Channel, European Union, Mercedes Benz, BMW, Ford Motor Company and many more.
